SUMMARY

I am a dynamic Full Stack Developer with hands-on experience in crafting responsive user interfaces and optimizing application performance. Proficient in JavaScript, React, and Next.js, I enhance user experience through strategic API integrations. I have a demonstrated ability to analyze user feedback for impactful design changes and excel in SQL query construction to extract valuable data insights

EXPERIENCE

Full Stack Developer Intern

TALANT CUBICLE

05/2025 - 07/2025 Remote

A company transforms businesses through cutting-edge HR solutions, expert consulting, and industry-level training programs. It delivers the future of human resources with AI-powered automation and live mentorship.

- Developed responsive user interfaces using ReactJS and NextJs for enhanced user experience
